NOTE FOR THE RECORD

SUBJECT: Forthcoming New York Times Story on Pakistan's Nuclear
Program

During last night's seminar at the Wilson Center (see
attachment), Lewis Dunn told me that Judith Miller has a story on
the subject set for a weekend edition of the New York Times
(Miller didn't show up for the seminar). Dunn said Miller had
informed Under Secretary R. Kennedy of the story. Dunn didn't
know what the story would cover or whether or not Kennedy had an
opportunity to comment.
